Retail Trade Terms

Revised February 20, 2008

All purchases are now made online.

Our web store at <http://www.amadeusbooks.com> has two separate catalogs. The Retail Merchant Catalog is designed especially for our Retail Merchant customers. Prices include a 40% discount and shipping is free for a limited time. Special authorization is required to purchase from the Retail Merchant Catalog. Upon request, we will include an Author Signature on the autograph page at no extra charge for a limited time.

The Store Catalog is designed for individual customers who do not have ready access to a retail store that carries Amadeus products. We have met individual customers in several states, including Wyoming and South Dakota, and other rural areas who prefer to shop online for their own convenience. This is how we meet the needs of our individual customers without impacting the sales of our Retail Merchants because individuals are not authorized to purchase products online from the Retail Merchant Store.

Policies for Retail Merchants:

1. Go to our website at <http://www.amadeusbooks.com> and click on "My Online Store" on the left-hand menu. On the webstore, click on "Register" on the upper right hand side of the yellow bar at top of page. Register with the website. Please include your store's Tax ID number in the designated field so the webstore will not calculate sales tax on your purchases. Send an E-mail to amadeus@amadeusbooks.com to let us know that you have registered.
2. Once you have registered your store, we will authorize you to purchase from the Retail Merchant Catalog using American Express, Visa, or MasterCard credit cards or PayPal.
3. Damaged and defective products - Legacy Publishers makes every effort to ensure that a quality check is conducted prior to shipment. Should a customer receive damaged or defective product, the following procedure should be followed:
 - a. If the product is defective, return it to Legacy Publishers within 15 days along with a copy of the packing slip. Replacement product will be shipped immediately.
 - b. If the product is damaged in the store, Legacy Publishers is not responsible for the loss.
 - c. If the product is damaged by the shipper, customer should contact the shipper for reimbursement.
 - d. If the product is damaged due to packing, the product should be returned to Legacy Publishers with a copy of the packing slip and an explanation of the nature and cause of the damage. If damage is due to packing, Legacy will replace the product. Disputes will be handled on an individual basis. Shipping remains the responsibility of the customer.
